

GARDEN OF FLOWERS IN JEFFERSON LOBBY

Easter Decorations at Hotel Are
More Elaborate Than in
Former Years.

MASS OF BLOOMING PLANTS

Orchestra Will Render Special Program of Easter Music This Evening From 7 to 9 o'clock, With Several Special Solo Parts.

For its guests who must be away from home at Easter-time, and for the many friends in the city who enjoy its privileges, the Jefferson Hotel management has, according to its annual custom, filled its spacious lobby with a display of flowers, which, if anything, is more beautiful than for many seasons past. The work was not completed at a late hour last evening, but the florists were still at work, and this morning everything will be completed.

Not only has the management provided the display of flowers, but the orchestra, under the leadership of Claude M. Elam, has arranged a suitable Easter program, and there is no doubt but that the alcoves and lobby will be filled this evening with Richmond folk, gathered to enjoy the blossoms and the music.

A most unique arrangement of flowers has been provided, and as the design is to remain in place for a week or more, friends of the hotel will be able to enjoy it for this time. The entire lower lobby is arranged as a flower garden, the floor being covered with moss, leaving little pathways leading through the garden to the center, where there is suspended a birdcage.

GARDEN IS FILLED WITH FLOWERS IN BLOOM

Entrance to the garden is made through four gates, one at either side and one in the center. A lattice fence surrounds the garden, and the gateways are covered with running roses. The stairway, leading to the mezzanine floor, is flanked by white spirea in full bloom. The garden was complete last night, with its moss and spirea, Easter lilies and climbing roses; but the florists were still draping the spaces between the heavy onyx pillars on the mezzanine floor.

These pillars were being draped in smilax, with a basket effect in the center of each space, midway between. The final effect of the entire rotunda is that of a bower, covered in with the earliest flowers of the springtime.

There is no great variety of flowers in the design. It is plain and simple, and corresponds to the massiveness of the setting. Heavy banks of spirea, with azaleas and a few other flowers of a like nature, make up the decoration.

SPECIAL EASTER MUSIC

The Jefferson orchestra, composed of the following pieces, will give a special Easter program from 7 until 9 o'clock this evening: Claude M. Elam, director and conductor; Karl Wiesner, violinist; Jesse Alderman, bass violinist; Barney Winograd, clarinetist; Miss Louise Whitlow, pianist; Joseph W. Jelen, drums.

RENDERED TO-NIGHT

The program follows: "St. Theresa Mass"; sacred song, "Nazareth" (Gounod); "Heavenly Air" (Haydn); "The Creation" (Haydn); duet, "Voice of Love" (Schumann); "Calvary" (Rodney); "Kamennoi Ostrov" (Rubinstein).

INTERMISSION

"Mighty Jehovah" (Donizetti); "One Sweetly Solemn Thought" (Ambrose); "The Beautiful Song, 'Come Unto Me'" (Bart); "Simple Ave" (Thorne); "The Lord Chorus" (Sullivan); "Gloria" from Haydn's "B. Flat Mass."

ALDERMEN CALLED

Will Act on Belt Line Compromise Resolution on Tuesday Night.

Two important meetings have been called for this week at the City Hall. The Board of Aldermen will hold a special meeting Tuesday night at 8 o'clock, called at the request of the Street Committee, for the purpose of authorizing the Mayor to accept the dedication of certain streets in the West End across the tracks of the Belt Line Railroad. This action will be in line with the agreement reached between City Attorney Pollard and officials of the Richmond, Fredericksburg and Potomac Railroad Company for the extension of Monument Avenue and other streets, and for the depression of the Belt Line tracks. City officials believe that the end of the long controversy is in sight.

Final action on the city farm project will be taken, in all probability, by the Council Committee on Public Buildings, Properties and Utilities at its meeting Tuesday night. Several members of the committee are in favor of the purchase of the Newstead Farm, located in Henrico County about eight miles east of the city, fronting on the James River, and it is believed that the subcommittee's report recommending the acquisition of this property will be adopted. At the last meeting, when slight opposition arose, the matter was postponed until this week to allow all members of the committee to become acquainted with the project.

The regular meeting of the Committee on Claims will be held Tuesday afternoon at 3 o'clock, and the regular monthly meeting of the Committee on Advertising and Enterprises Thursday night at 8 o'clock.

Many New Buildings.

HARRISONBURG, VA., April 22.—Contracts have been let for the new Peoples Bank building in Harrisonburg, \$70,000; the Miller-New store and office building, \$25,000; the new territory at the State Normal School will cost \$33,000; the new Baptist church, \$25,000; and the new post-office building, which is assured, will cost \$60,000.

TAKES THE PLACE OF DANGEROUS CALOMEL

New Discovery! Dodson's Liver Tone Acts Like Calomel But Doesn't Gripe, Salivate or Make You Sick—Don't Lose a Day's Work—Harmless Liver Medicine for Men, Women, Children—Read Guarantee!

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you

right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
